

Join our team as:

Aircraft Prototyping Engineer

You are putting things together.

Location	Manching
Department	Engineering
Working Time Model	Part-time/Working Student/Full-time
Start Date	Immediately

Are you an aerospace engineer who is rather on the craftsman-side and thus bored by office jobs? We have the perfect job offer for you! Become part of the team and put the parts of our aircraft together. We promise challenging tasks and a project with a visionary outcome.

Tasks

- Planning of prototyping activities
- Reporting to relevant panels
- Prototyping according to engineering construction plans
- High voltage wiring
- Low voltage wiring
- Carbon composite structure assembly

Qualification

- Degree: Completed or ongoing studies (Bachelor or Master) in the domain of mechanical engineering, aerospace engineering, electrical engineering or comparable programs.
- Experience: Evidence of craftsmanship skills in prototyping
- Craftsmanship Skills: Precise way of working according to engineering construction plans, high voltage wiring, low voltage wiring, carbon composite structure handling and processing
- Tool-Knowledge (mandatory): Microsoft Office
- After employment: Security clearance (Ü2-Sabotageschutz) approval

Benefits

-  Team with high spirit and pace
-  Flexible working time model
-  Company laptop
-  Staff restaurant

Application Documents

- Letter of motivation
- Curriculum vitae
- Certificates / reports / references
