

Join our team as:

# Flight Authorization Engineer

You create the legal foundation of our mission.

Location	Manching
Department	Flight Operations
Working Time Model	Part-time/Working Student/Full-time
Start Date	Immediately

You like checklists, procedures and take words literally? As flight authorization coordinator you create the legal baseline for our flight test and demonstration campaigns. You prepare the documents required for authorization by the competent authority.

## Tasks

- Performing safety analysis and classifications
- Preparing flight authorization documents and templates
- Defining flight geographies and specific procedures
- Deriving and coordinating flight authorization implications for other departments
- Continuous activity tracking and report to relevant panels

## Qualification

- Degree: Completed or ongoing degree (Bachelor/Master) in the domain of mechanical engineering, aerospace engineering, electrical engineering or comparable programs.
- Experience: 3 years practical experience in flight operations
- Tool-Knowledge (mandatory): Microsoft Office
- Tool-Knowledge (optional): Polarion, GIT
- After employment: Security clearance (Ü2-Sabotageschutz) approval
